PRINTING COMICS

STANDARD COMIC BOOK
PRINT TEMPLATE

- BLEED AREA — 6.88" × 10.5"**
Colored backgrounds & full-bleed artwork must extend to the edge of the red line on all sides.
- TRIM LINE — 6.625" × 10.25"**
This is the edge of your book — the finish size.
- SAFE AREA — 6.375" × 10"**
Keep text and important artwork inside this margin to avoid being cut off.

GUTTER AREA (perfect-bound books only): avoid placing text near the spine; center elements by placing them 0.25" off-center from the spine. Odd pages — spine on the left; even pages — spine on the right.

- ENSURE EACH PAGE FILE IS:
- ✓ Flattened ✓ 300 DPI ✓ CMYK
 - ✓ Saved as individual high-res PDF or JPG
 - ✓ Labelled correctly (Name of Comic_Page Number)
